### Testimonials

Don't think about it another second, BOOK YOUR WEDDING HERE. If I could give them 6 stars, I would. Their pricing was so reasonable compared to other venues. Vicki and Mallory were truly a dream to work with, so accommodating, patient, and detail oriented. They made the whole process easier. We loved being able to have our ceremony and cocktail hour outside and then our reception inside. The space is absolutely perfect for 100 guests. Their decor package made everything so simple and seamless, along with their get ready space. We've gotten so many compliments from family and friends on how much they loved the venue - warm, welcoming, cozy, intimate were just a few words used to describe the venue + the staff.

- Gabrielle P.

Hoosier Grove is the ultimate wedding venue. It was the first and only venue we toured, because after we met the staff and felt the warmth of the property, we knew it was where we were supposed to be married. Throughout the planning process, our Hoosier staff could not have been more helpful. On our wedding day, we were blown away by the attention to detail and kindness they showed not only to us as a couple, but to all of our guests. We cannot recommend Hoosier Grove enough! With love.
